Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Replacement of Analog Security Cameras and Storage for Portage County Buildings in fiscal year 2024. The entity to receive funding for this project is Portage County located at 156 Church Street, Stevens Point, WI 54481. The funding would be used to enhance the current system by adding more than 30 cameras and changing the remaining 150 cameras to digital along with new servers to store digital data for the mandated times.

The project is an appropriate use of taxpayer funds because prioritize the safety and security of staff and visitors to our buildings and exteriors of buildings and bring the buildings into compliance.

The project has a Federal nexus because the funding provided is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "D. Van Orden".
